The ZYUE-WX-2400 series of whips have the added ability to be either set straight, or on a 90 degree bend for those space saving requirements.

The ZYUE-WX-2400F and ZYUE-WX-2400F-RPSMA are both designed for WiFi use using the ISM2.4 frequency range.

Adaptors, patch leads, water proofing and other installation accessories are all available separately.
